

Waterpro of Box Series

Model: B-66/1
Name: IP66 outdoor concealed waterproof box
Material: PC (black transparent)

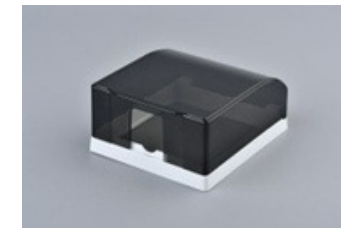

Model: B-66/1
Name: IP66 outdoor concealed waterproof box
Material: PC (blue transparent)

Model: B-66/1
Name: IP66 outdoor concealed waterproof box
Material: PC (teal transparent)

Model: B-66/1
Name: IP66 outdoor concealed waterproof box
Material: PC (transparent)

Model: B-12-7
Name: Medium-high type waterproof box
Material: transbenzene (black transparent)

Model: B-12-7
Name: Medium-high type waterproof box
Material: transbenzene (blue transparent)

Model: B-12-7
Name: Medium-high type waterproof box
Material: transbenzene (teal transparent)

Model: B-12-7
Name: Medium-high type waterproof box
Material: transbenzene (transparent)

Model: B-66/1
Name: IP66 outdoor concealed waterproof box
Material: PC (white)

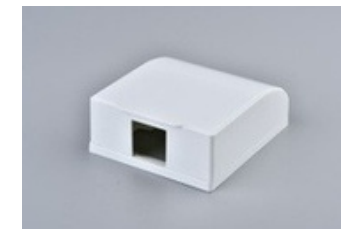

Model: B-24
Name: IP55 waterproof box with lock
Material: transbenzene (black transparent)

Model: B-24
Name: IP55 waterproof box with lock
Material: transbenzene (blue transparent)

Model: B-24
Name: IP55 waterproof box with lock
Material: transbenzene (teal transparent)

Model: B-12-7
Name: Medium-high type waterproof box
Material: ABS (white)

Model: B-21
Name: Higher type waterproof box
Material: transbenzene (transparent)

Model: B-21
Name: Higher type waterproof box
Material: transbenzene (white)

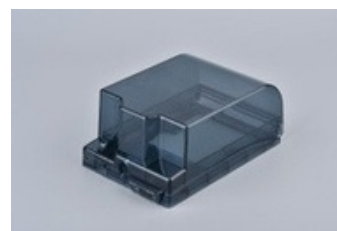

Model: B-30
Name: Double model waterproof box
Material: transbenzene (transparent)

Model: B-24
Name: IP55 waterproof box with lock
Material: transbenzene (transparent)

Model: B-24
Name: IP55 waterproof box with lock
Material: ABS (white)

Model: B-25
Name: Higher and larger waterproof box
Material: transbenzene (black transparent)

Model: B-25
Name: Higher and larger waterproof box
Material: transbenzene (blue transparent)

Model: B-30
Name: Double model waterproof box
Material: ABS (white)

Model: B-30
Name: Double model waterproof box
Material: ABS (gold)

Model: B-30
Name: Double model waterproof box
Material: ABS (gray)

Model: B-31
Name: Triple model waterproof box
Material: transbenzene (transparent)

Model: B-25
Name: Higher and larger waterproof box
Material: transbenzene (teal transparent)

Model: B-25
Name: Higher and larger waterproof box
Material: transbenzene (transparent)

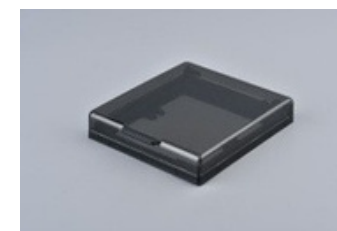

Model: B-25
Name: Higher and larger waterproof box
Material: ABS (white)

Model: B-25
Name: Higher and larger waterproof box
Material: ABS (gray)

Model: B-31
Name: Triple model waterproof box
Material: ABS (white)

Model: B-33-1
Name: Ultra-thin switch waterproof box
Material: transbenzene (black transparent)

Model: B-33-1
Name: Ultra-thin switch waterproof box
Material: transbenzene (transparent)

Model: B-33-1
Name: Ultra-thin switch waterproof box
Material: transbenzene (white)

Model: B-06
Name: 86 type general-purpose waterproof box
Material: transbenzene (black transparent)

Model: B-06
Name: 86 type general-purpose waterproof box
Material: transbenzene (transparent)

Model: B-06
Name: 86 type general-purpose waterproof box
Material: transbenzene (tealtransparent)

Model: B-06
Name: 86 type general-purpose waterproof box
Material: transbenzene (blue transparent)

Model: B-35
Name: Charging pile rain cover
Material: ABS (yellow)

Model: B-35
Name: Charging pile rain cover
Material: ABS (orange)

Model: B-35
Name: Charging pile rain cover
Material: ABS (white)

Model: B-35
Name: Charging pile rain cover
Material: ABS (green)
